The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Hampton University Workforce Development and Allied Health Services Program project in fiscal year 2023.

The entity to receive funding for this project is Hampton University, located at 100 East Queen Street, Hampton, VA 23669.

The funding will be used to meet the workforce needs of the Hampton Roads region. The Hampton University Workforce Development and Allied Health Services Program (HUWDAHSP) will provide training and certification in the high-demand areas listed below. It will develop curricula for the certification programs; acquire necessary laboratory equipment; provide student support; work with local school districts to identify students who would benefit from the programs; dedicate existing facilities to training centers; partner with local governments in effort to address recidivism; and work closely with public and private sector employers to ensure ongoing alignment with the region's workforce needs and coordinate job placements.

I certify that neither I nor my immediate family has any financial interest in this project.

Very truly yours,

A handwritten signature in blue ink that reads "Bobby Scott".
